

Introducing...

"This is the sweetest book I have read in years. Every little girl needs little kisses and every little kiss needs a girl and I believe everybody needs this little book, young and old, male and female. When you read it, it will make you smile." -Maya Angelou

Hi Everybody!

I am so excited to present my first children's book: Little Kisses. (It is about my third son with fur, Bejinhos!)

It has been such a fun new adventure and is very dear to my heart. I am so proud of this little book and wanted to share it with you. I hope you enjoy it and share it with all your little ones ...and big ones!

You will find that there are some important messages and reminders for us all.

I hope this new year brings you love and joyful moments.

Little Kisses to you,
Jolie (and Bejinhos too!)

"With its charming story, enchanting illustrations and gentle wisdom, Little Kisses is a feel-good book... sure to delight anyone who has a 'friend with fur'. I am so proud to present Jolie Jones' debut as an author in the Julie Andrews Collection. We will certainly hear more from her." -Julie Andrews

Bejinhos and Jolie in Little Kisses...

She has her cocoa while I eat my breakfast. Food gets all over the floor. She loves me anyway.

My Jolie and I get up, and we talk. We talk about everything . . .

feelings . . . friends . . . what we'll do today and what we'll wear.

We brush our teeth after breakfast. "Those are the rules," says My Jolie.
